Day Of Mourning - April 28

Across Canada, April 28 has been designated the National Day of Mourning. Each year, thousands of workers, families, employers, and others across Canada come together at ceremonies to remember those who have died, suffered injury or illness as a result of a workplace related accident and incident.

On April 28, the Day of Mourning event was held in the plaza area at the Surrey Operations Centre & Works Yard. CUPE 402, and the entire CUPE family, mourns the lost of our CUPE 1004 Brother, Jody Taylor, a 43-year-old arborist for the Vancouver Park Board who died on March 31 while on the job doing the work he loved. CUPE 402 wish to express condolences to Jody Taylor's family, friends and our sisters and brothers with the City of Vancouver.

This year's Day of Mourning ceremony was well attended with over 200 in attendance. CUPE 402 wish to thank Mayor Hepner and the City Council for their attendance and their continued support in our commitment to creating safe workplaces.

Fight for \$15

As members of a union, we are all thankful none of us make minimum wage. Some of us might not even know what the minimum wage is. For those of you who don't know, it's \$10.45/hour. At some point in our lives, many of us have made minimum wage, and know how hard it is to make ends meet. On April 16th CUPE 402 joined the BC Federation of Labour and the FIGHT for \$15 Surrey working group, in the country's first official Fight for \$15 day of action. It was a great turnout, thank you to all those who came out!
