**Introducing your New Executives**

Rick Chapman has worked for the City for the past thirteen years in the Marketing & Communication section of Parks, Rec & Culture. In his spare time, he plays drums for the Pat Chessell band in and around the Lower Mainland. Rick's job takes him to all areas of the City which allows him to meet a lot of our members. We are happy to welcome Rick as an Executive at Large and look forward to his contributions.

Kim Jackson started her career in 2007, first as a seasonal Parks Patrol officer before becoming a full time By- Law Enforcement Officer six years ago. Kim is looking forward to serving the membership in her role as a new Executive at Large and hopes to meet and assist members as needed.

Steve Broad has been employed by the City for the past eighteen years, his last six working in the Main Stores at the Operations Centre. In his spare time, Steve plays hockey, camps, and especially loves riding his dirt bike on less traveled roads like the Baja and high into the mountains. Steve previously held the position of Sergeant at Arms before taking a break and has decided to help assist members once again as an Executive at Large.

The Executive looks forward to working with Rick, Kim and Steve.

## **Canada Day**

This July 1st we will once again be attending Surrey's biggest Canada Day celebration at the Cloverdale Fair Centre grounds. Like always, we will have tons of prizes for kids of all ages. There will be lots of other booths with great food and amazing surprises for all people.

## **Party for the Planet**

The Party for the Planet held at Surrey City Hall and Plaza was again a massively success - those who braved the elements and came out were met with smiling faces from our volunteers and executive members in attendance. Our CUPE 402 tent gave away over seven hundred prizes to the children in our communities! We plan to keep this tradition alive and well in years to come as we continue to celebrate Earth Day. If you're interested in helping out next year, submit your email to the office to have it added to the Environment Committee list. For now, enjoy your summer!

## **Day of Mourning**

Thank you to everyone who was able to join us for our annual Day of Mourning ceremony on April 28th - a day to honor those injured or killed on the job, and to celebrate safe work practices. The service was very well attended, demonstrating the dedication we all share of committing to a culture of safety above all else. If you missed this year's service, photos and videos are available on the CUPE Local 402 Facebook page.

## **Cloverdale Rodeo Parade**

Once again we celebrated a very successful Cloverdale Rodeo Parade! Thank you to all the members who worked on the float, and to members and their families who came and rode on it - we had a full house! A special thank you to the students at AJ McLellan Elementary School for their beautiful artwork on the City of Surrey plough "Be Kind" and for participating in the parade.

## **Cupe 402 Golf Tournament**

Join us on September 9th at the Guildford Golf and Country Club for our first annual 402 Open: a day of Golfing for a Cause - with all proceeds benefitting the Surrey Food Bank. Group up with 3 friends to enjoy live music, lunch, door prizes, raffle prizes, and a golf cart for only \$95. For more information or to sign up, contact [foodbankopen@cupe402.com](mailto:foodbankopen@cupe402.com).
