24th Annual Children's Christmas Carnival – December 8th

A big thank you to everyone who was able to come out and help put on this year's Christmas Carnival! Once again it was a huge success, as measured by the smiles of over 500 children and their families. This is the largest event we hold each year, and it would not be possible without a team of caring individuals working in the months leading up to December.

Thank you to everyone who attended, we exceeded our expectations with a whopping \$1,156.60 and 29 boxes of food donated to the Surrey Food Bank – we have a truly generous membership!

We're looking for feedback for the carnival – if you have anything you loved or a suggestion for next year, please contact the office or an executive.

United Way Day of Caring – Sept 19th

In September we teamed up with the City to send almost a dozen people out to Alexandra House in South Surrey for the day to help with some much needed TLC to the grounds. Alexandra Neighbourhood House provides programs, services, community events, camps and more for people of all ages, abilities and cultures.

Retiree's Luncheon – Sept 14th

The Union's Retiree's Luncheon has grown so much each year that we've had to move locations this year to the Shannon Hall at the Fairgrounds. We had almost 300 in attendance!

Metro Municipal Workers Campaign Tour – Sept 6th

This campaign launched at our Operations Centre in the morning with free breakfast sandwiches, and at City Hall for lunch with free samosas. The point of this campaign travelling across the region is to highlight the important work CUPE municipal workers do across our communities.

Canada Day – July 1st

Members of Cupe 402 attended the City of Surrey's annual Canada Day Celebration at the Cloverdale Fairgrounds, which is the biggest celebration in Western Canada. The event was incredibly successful, and like previous years, we once again had one of the busiest booths at the event. We handed out tons of prizes to youth in and around our community! This event could not have happened if it wasn't for all the wonderful volunteers from CUPE 402, and the City of Surrey!

Doors Open – June 17th

This year's Cupe booth at Surrey Doors Open was held at the Surrey Operations Centre with all departments showing their pride. There were static displays, concrete hand prints, remote control boats, pumps and motors, a light rapid train mock up, little street signs with your name, garbage and recycling questions, fire trucks, and the fleet building wide open. There were approximately 2,500 visitors that came to see what Engineering Operations and the Works Yard was all about.

**If you would like to learn more about any of these events – talk to anyone on the executive!
We are always looking for volunteers.**

Congratulations to all the Cupe 402 **Scholarship** winners! Good luck in your post-secondary education. Also a big thank you goes to the [Scholarship Committee](#) for all their hard work!

On **Christmas Eve**, members from our local helped serve a meal at the Whalley Legion. Food was provided for over 2,500 families in need!

2018 Retirees
