**Re: Telecommunications Operator 1 & 2 (RCMP Operations Communications Centre)**

PREAMBLE

This letter is to establish work practices and policies that will go into effect March 5, 1994 for implementing a 37.5 hour work week for Telecommunications Operator 1 & 2.

It is intended that this information will become a part of the Collective Agreement and serve as an amendment to the existing Letter of Agreement dated December 31, 1987.

1. Application

This agreement applies to full-time staff employed in the classification of Telecommunications Operator 1 & 2.

2. Shift Schedule

The shift schedule, which is known as "four on and four off," shall be worked as per the attached Appendix I. One work shift shall span twelve (12) consecutive hours inclusive of a one and one-quarter (1-1/4) hour unpaid lunch break, and two ten (10) minute paid rest periods.

3. Vacations

Vacations allotment noted in the Collective Agreement shall be converted from days to hours and will be taken on that basis. Example - 3 weeks' vacation is equal to 15 days, 112.5 hours (15 days x 7.5 hours = 112.5 hours). 112.5 hours divided by 10.75 hours per shift equals an allotment of 10.5 shifts.

4. Shift Differential

Shift Differential shall only be paid for the actual hours worked on the afternoon shift.

5. Sick Leave

Sick leave shall be converted to actual hours. Eighteen days per year X 7.5 hours = 135 hours sick leave credit per year.

Example: A sick employee shall lose 10.75 hours per shift while on sick leave.

6. Sick Leave Pay Out

Sick Leave pay out shall be paid out on a 7.5 hour day basis, same as sick leave. Employees shall be credited with 3 days x 7.5 hours or 22.5 hours per year where no illness occurred.

7. Overtime

Overtime rates shall apply after 10.75 hours work per shift.

8. Statutory Holidays

Statutory Holidays will be calculated on actual hours worked on the Statutory Holiday. Examples: a shift from 6:30 a.m. to 6:30 p.m. on the Statutory Holiday - all hours will be paid on a Statutory Holiday pay basis. A shift from 6:30 p.m. on a Statutory Holiday to 6:30 a.m. the following day - Statutory Holiday pay will be paid from 6:30 p.m. to 12:00 p.m. only and regular pay from 12:00 p.m. to 6:30 a.m. the following day. A shift from 6:30 p.m. on the day preceding a Statutory Holiday to 6:30 a.m. on the Statutory Holiday - regular pay will be paid from 6:30 p.m. to 12:00 p.m. and Statutory Holiday pay from 12:00 p.m. to 6:30 a.m.

Statutory Holidays must be taken within a ninety day period of its occurrence and can be taken off in blocks of no more than a maximum of two (2) at a time. Statutory holiday credit will be in accordance with the Collective Agreement, that is seven and one-half hours per statutory holiday. All statutory holidays must be taken by December 31.

9. Principle Governing the Conversion from a five (5) Day Week to Compressed Week

A. Present Hours of Work

52 Weeks per Year x 37.5 Hours per Week  
Plus One Day  
(based on 261 days average per year) = 1, 957.5 Hours

Less 11 Statutory Holidays x 7.5 Hours = 82.5 Hours

Average Hours Worked per Year = 1, 875.0 Hours

B. Compressed Work Week

365 Days per Year x 43 hours = 1, 961.87 Hours worked per  
8 Days in Cycle Year on Average

C. Method of Payment

Payment to be based on an average of 37.5 hours per week.

Compressed Work Week Average Hours  
per Year = 1, 961.87 Hours

11 Statutory Holidays x 7.5 Hours 82.5 Hours  
1, 879.37 Hours

Average Compressed Work Week  
Additional Hours per Year = 4.37 Hours

Any differential between hours worked and salary paid shall be adjusted on an employee's termination of employment.

**Re: Spare Tractor Backhoe/Excavator Operator**

This deletes the existing “Operator Trainee” letter of understanding and replaces it with a new process respecting “Spare Tractor Backhoe/Excavator Operator.”

The City will, from this point forward, post “Spare Tractor Backhoe/Excavator” positions similar to the existing process for “Spare Truck Driver II,” and no longer post vacant full-time “Tractor Backhoe Operator” positions. The intent is to post and test towards achieving a qualified operator capable of moving directly into a full-time Tractor Backhoe/Excavator position once one becomes vacant. The spare operator will be paid at an Equipment Operator 4 rate of pay when not operating a machine. When the “Spare Operator” is operating a machine, their position as **Operator Trainee** will be filled and paid as a Labourer 2 temporarily.

The intent of this letter is to ensure that the City receives qualified relief operators, and acknowledge long time relief operators as being the logical successor to the next vacant full-time position.

This agreement is without prejudice and precedent to the rights of either party.

Re: Minimum Hours of Work For Auxiliary Employees in the Community and Leisure Services Division and the Culture, Marketing and Community Development Division of Parks, Recreation and Culture Department

SKATING INSTRUCTORS SHALL BE EXEMPTED FROM THIS LETTER OF UNDERSTANDING

The City of Surrey and CUPE, Local 402 agree to the scheduling of shifts for regularly scheduled auxiliary staff in the facilities operated by the Community & Leisure Services Division and the Culture, Marketing and Community Development Division of Parks, Recreation and Culture Department on the following terms:

Parks, Recreation and Culture may employ regularly scheduled auxiliary staff in these divisions on a two (2) hour per day minimum basis.

Furthermore, Parks, Recreation and Culture may employ regularly scheduled auxiliary staff in these divisions for less than two (2) hours (but not less than one (1) hour) for the following:

1. Aquacise Instruction;
2. School care programs (e.g. Before and After School Care Programs);
3. Facility rentals attendance;
4. Staff Meetings/Staff Training sessions.

Wherever practical, the Department will combine hours to provide longer shifts.

The provisions of this agreement will take effect upon ratification of the Collective Agreement and be further appended as a Letter of Understanding for the term of the Collective Agreement which will commence January 1, 2000. This letter of Understanding shall expire on December 31, 2015.

Either party may terminate the operation of this agreement by providing the other with thirty (30) days written notice.

It is understood and agreed that both parties reserve their rights under the Collective Agreement with respect to shift scheduling in their entirety, and that neither party has prejudiced its position or rights with respect to the interpretation of the Collective Agreement's provisions regarding shift scheduling by entering into this Letter of Understanding.

THE CITY OF SURREY

CUPE, LOCAL 402

**Re: Auxiliary Employment**

The purpose of this letter is to confirm the discussions concluded during the 2012 Collective Bargaining process with respect to the employment of Auxiliary Staff. In exchange for the parties achieving a Renewal Collective Agreement, the Parties have agreed to the following:

1. Additional Bargaining Unit Roles:

- Twenty-five (25) additional new, regular full time or regular part time roles will be posted in the CUPE Bargaining Unit before December 31, 2013. These “new” roles will be achieved through the conversion of City determined auxiliary/project /temporary roles that existed at the time of the settlement of the renewal Collective Agreement or by converting currently contracted work into regular full time or part time job(s) in the bargaining unit.
- To meet business needs, the City may convert/add CUPE roles in a varied hiring pattern but the total commitment of “25” jobs will be achieved. During the bargaining process, the City notified the Union of 2 conversions from term to regular full time (Crime Prevention Coordinator and Sustainability Coordinator), 1 conversion from auxiliary to regular full time (Property Tax Rep 1), and 1 contracted job returned to the Bargaining Unit (Bridgeview Community Centre – CSC 2). These 4 roles apply to the City’s hiring commitment under this letter.
- Except when otherwise mutually agreed to by the Parties, auxiliary positions converted to regular positions will be filled by the job posting procedures as described in the Collective Agreement. Regular part time roles converted to regular full time roles will be filled by the incumbent.

2. Auxiliary Staffing Meetings:

- Subsequent to ratification, the parties agree to meet on a minimum of a six month basis to review the work hours of auxiliary employees. These review meetings will be based upon the methodologies identified by the parties in this round of Collective Bargaining (i.e. identifying roles where incumbents have performed auxiliary work for the City in excess of the hours stated in the Collective Agreement for a significant, continuous period of time). The parties may identify opportunities for auxiliary conversions based on business demands and staff preference. The decision to convert or add a regular staff position remains with the City in compliance with the Collective Agreement. The first meeting on auxiliary staffing will be held within 60 days of ratification of this Renewal Collective Agreement.

3. Hours of Work – Lifeguards, Aquasize Staff and Assistant Head Guards

- During the life of this Renewal Collective Agreement (2016-2020), staff in the job codes of Lifeguard, Aquasize staff and Assistant Head Guard will be permitted to ‘sign for’ up to 24 hours per week (Lifeguards) and 28 hours per week (Aquasize staff and Assistant Head Guards), without the City being in violation of the definitions contained in Article 12 of the Collective Agreement. This provision applies to the seasonal scheduling process that occurs in the Aquatics section of Community Recreation Services. The City retains its right to end this staffing protocol if business issues/scheduling complexities arise. The City will discuss such concerns with the Union in advance of implementing such a change.

4. Surrey Sports and Leisure Centre Trial (SSLC)

- The parties have a mutual desire to stabilize employment with aquatics staff. To achieve this objective, the parties have agreed to establish a Trial at SSLC, which will result in the conversion/addition of 1 Head Guard (regular full time) and 4 Lifeguards (regular part time) roles at that facility for the duration of the Trial.
- The objective of the Trial is to achieve a more stable work force that will benefit customer service, increase operational efficiencies, enhance safety, and build employee satisfaction/capacity.
- The parties agree to meet to resolve the specifics of the Trial, but generally these roles will added for a period of up to 2 years to confirm the efficacy of the new staffing model. The general principle is that neither the rights of staff nor the rights of the City will be reduced by participation in this Trial.
- If the Trial is successful, the City has the option of expanding the Trial at SSLC and/or introducing a similar trial at other City Aquatic facilities.
- The parties agree to make their best efforts to support the success of this Trial.
- The parties agree that for the duration of the SSLC Aquatics Trial or a similar Trial (Aquatics or Clerical Community Recreation Services), the following section of Letter of Understanding #14 shall be null and void:
  - “Either party may terminate the operation of this agreement by providing the other with thirty (30) days written notice.”

Nothing in this letter or in the bargaining discussions is intended to limit staffing provisions enshrined in the terms of the Collective Agreement and by practice. The City specifically, but with no intention of limitation, retains its rights under Letter of Understanding #2.

**Re: Job Sharing**

The City and the Union agree that where a Regular Full-Time Employee wishes to share their full-time position, that such Job Sharing agreements be mutually agreed upon using the following principles, PROVIDED HOWEVER, that nothing in this Letter of Understanding shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement, except as specifically provided herein and that this Job Sharing arrangement is based on a principle of “No Loss, No Gain” to either the Employee, the Union or the City.

**I. Definitions**

Job sharing is defined as two (2) people sharing the responsibilities of one (1) full-time position with salary and benefits prorated. Each employee of the job sharing arrangement will work in a manner that provides full coverage for the position.

The Holder Employee shall be defined as the employee who holds the full-time position and requests the Job Share arrangement.

The Co-holder Employee is defined as the employee sharing the full-time position and may be either a full-time, regular part-time, auxiliary or temporary employee.

**II. General**

All Job Sharing arrangements shall be implemented in accordance with the provisions of this Letter of Understanding and subject to approval by the City and the Union.

Once all parties have agreed to the terms and conditions outlined in the Job Sharing arrangement, the Human Resources Department will be responsible for monitoring the Job Sharing arrangement.

**III. Procedure**

1. A Job Sharing proposal (using the Job Sharing Application form) must be presented by the Holder Employee in writing to their Manager, the Human Resources Department and the Union. In the event that a Co-holder cannot be found to job share, Human Resources shall post an “expression of interest” to find someone suitable.

Each request will be considered on its own merits. A completed Job Sharing Application form shall include the following:

- a) Information with respect to the qualifications and experience of each of the proposed employees.
- b) Detailed outline of how the proposed arrangement will ensure that the work is efficiently and effectively performed as though there were only one (1) occupant in the position.
- c) Detailed description of how the duties and functions of the position shall be shared.
- d) How the workload priorities will be determined on an ongoing basis.

- e) Procedures to be utilized to ensure there is effective communication between each employee and their Manager.
  - f) A proposed work schedule.
  - g) Proposed coverage plan for leave of absences – e.g. vacation, illness, etc.
  - h) Proposed length of the agreement (minimum six (6) months to maximum one (1) year) including the trial period.
- 2. The Co-holder contemplating the position must meet the requirements as per Article 10.2 of the Collective Agreement.
  - 3. Where the Job Sharing arrangement is approved by the City and the Union, the Division Manager shall provide each affected employee with a letter of confirmation of the Job Sharing arrangement outlining the terms and conditions.
  - 4. Where an employee's request is denied by the City, the Union may request a meeting with the Division Manager and the Manager, Human Resources (or designate).

**IV. Duration**

- (a) Each Job Sharing arrangement shall be for a maximum period of one (1) year unless extended by mutual agreement between the City and the Union.
- 2. The regular daily and weekly hours of the position shall remain unchanged as a result of the Job Sharing arrangement unless otherwise varied by the terms and conditions as provided by the letter referenced to in Section III – Procedure, Paragraph 3 above.
  - 3. The Job Sharing Weekly Schedule for the Holder Employee shall be two (2) days in the first week, being Thursday/Friday and the same individual to work three (3) days the second scheduled week, being Monday/Tuesday/ Wednesday.   - 5. A Job Sharing arrangement may be terminated earlier than initially agreed to by the City, the Union, the Holder Employee or Co-holder Employee provided that thirty (30) calendar days written notice has been served to the other parties. Employees temporarily appointed to a position arising out of a Job Sharing arrangement shall be advised at the time of their temporary appointment that their term in the temporary position could be cut short as a result of an early cancellation of the Job Share arrangement.
  - 6. Upon the expiry or termination of the Job Sharing arrangement:
    - (b) The Holder Employee shall revert back to their former full-time position. Should the Holder Employee decline reverting back to their former full-time position, the Holder Employee will be considered to have resigned and the original full-time position shall be posted.

**V. Trial Period**

In order to provide a reasonable timeframe in which to examine the suitability of each Job Sharing arrangement, each Job Sharing arrangement will be considered for a trial period of six (6) months.

During the six (6) month trial period of each Job Sharing arrangement, any vacancy created through the process, will be filled on a temporary basis. Any affected full-time position will remain a full-time position for the duration.

**VI. Employee Status**

Such an employee shall be entitled to apply for positions as a Regular Full-Time Employee and to use seniority for all applicable purposes including layoff, bumping and recall. Regular Part-Time Employees shall accumulate seniority based on hours worked.

**VII. Wages & Benefits**

The general principles with respect to wage rates, employee benefit entitlements and premium payments for Regular Full-Time Employees in Job Sharing arrangements are as follows:

- (e) Paid leave benefits, such as Vacation, General Holidays and Sick Leave, shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared. If absences occur due to illness, vacation or other approved leaves of absence, it is expected that the other employee will cover the period of absence *wherever possible*. In these instances, the regular rate of pay shall be paid for all hours as though the position were full-time regular.
- (f) Any hours worked in excess of the scheduled workday or the scheduled workweek shall be paid at the appropriate overtime rate. As part of the Job Sharing arrangement, each employee shall work the equivalent of a full-time employee scheduled workday or workweek before overtime rates are paid.
- (g) The employee's share of the premium payments for benefits, such as Medical, Extended Health, Dental and Group Life, shall increase proportionately as the number of scheduled weekly hours decrease in relation to the full-time hours of the position being shared. The City's share of benefit premiums and F.T.E. cost will not exceed the total cost normally incurred for one (1) regular full-time position.

**VIII. Vacation Entitlement & Public Holidays**

The employee's annual vacation entitlement and public holiday entitlement shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.

**IX Sick Leave**

For the period of the Job Sharing arrangement, the employee shall have sick leave credited on a prorated basis, calculated on the same proportionate basis as the employee's new scheduled hours bears to the full-time hours of the position being shared.

**X Municipal Pension Plan**

Where an employee is contributing to the Municipal Pension Plan and enters Job Sharing arrangement, the employee shall be required to continue making contributions toward the Municipal Pension Plan. The cost sharing arrangement shall continue on the same percentage basis applied to the reduced earnings. Pensionable service will be accrued on a prorated basis.

**XI Increments**

A Regular Full-Time Employee sharing a position shall be eligible for increments upon the completion of the equivalent period of service applicable to a Regular Full-Time Employee in a similar classified position.

**XII Regular Part-Time, Auxiliary and Temporary Employees**

Regular Part-Time, Auxiliary and Temporary Employees sharing a portion of a Regular Full-Time position as a result of a Job Sharing arrangement shall retain their status as a Regular Part-Time, Auxiliary or Temporary Employee while Job Sharing and shall continue to be treated in accordance with the applicable provisions of the Collective Agreement.

**Re: Qualification Adjustment for Garage Mechanics**

The following general conditions apply to the qualification adjustment for garage mechanics:

1. Base salary as per the Collective Agreement would require one certified Trade such as Automotive Heavy Duty – Commercial Transport.
2. Interprovincial and Provincial certifications are equal and count as one trade certification.
3. Automotive exemptions do not apply as a trade certification – as this applies to current employees only and is granted to the City based on our mixed fleet. Employees had been granted the opportunity to challenge the automotive test, and were granted exemptions based on fact that they failed the automotive test – but were working in mixed fleet. The exemption does not qualify the holder to operate as an automotive mechanic outside of the City of Surrey.
4. Changes to hourly rate will require that the employee provide copies of the appropriate certification for **their** employment file.
5. Technology changes will result in further specialized certifications in the future. The City will review these changes and determine if the skill set is required. Following acceptance, the City will meet with the employees and assign a value for compensation.
6. The hourly rate structure as outlined is applicable to garage employees only, and all certifications would be attainable by the individual employees who have the basic primary certification as required by the B.C. Apprenticeship Board, that allows them to qualify for and challenge the other trades.
7. The qualification requirements for other trade certification challenges are governed and are under the direction of the B.C. Apprenticeship Board. The City of Surrey has no control nor can the City specify any criteria and/or prerequisite requirements prior to trade certification being challenged.
8. Where possible, the City will provide and/or make available the information and possible locations plus costs associated with the courses/refreshers and certification challenges.
9. Employees wishing to enroll in refresher or upgrade courses that result in certification and salary advancement will be responsible for their own enrollment and costs associated with said courses and will not be reimbursed by the City.
10. The City will endeavor to accommodate employee requests for time allowed to attend night school courses, particularly afternoon shift employees requiring shift changes.
11. The City will not pay employees for time taken to attend courses that are considered to be for certification and salary advancement.
12. The City will continue to provide dealer and factory training courses that are applicable to the equipment type operated by the City, and said courses have no bearing on certification requirements of the B.C. Apprenticeship Board.
13. The City will endeavor to keep current with changes to Provincial Government legislation regarding trades certification and changes to same, and advise employees of the changes that could affect employees with regards to certification and salary advancement.
14. The City employs Tradesperson 3 - machinists and millwrights who would have the opportunity to upgrade and challenge secondary trades.

Machinists would be able to challenge the following:

Millwright	0.75 cents per hour
Welding	0.75 cents per hour
Pipefitter	0.75 cents per hour

Millwrights would be able to challenge the following:

Machinist	0.75 cents per hour
Welding	0.75 cents per hour
Pipefitter	0.75 cents per hour

The Additional Qualification Adjustment categories and corresponding amounts are in Appendix A and as follows:

Commencing in 2006:

Propane	\$0.50 per hour	\$40.00 per pay period
Natural Gas	\$0.50 per hour	\$40.00 per pay period
HVAC Air Conditioning	\$0.60 per hour	\$48.00 per pay period

Auto Mechanic	\$1.00 per hour	\$80.00 per pay period
Commercial Transport	\$1.00 per hour	\$80.00 per pay period
Auto Electrical	\$0.75 per hour	\$60.00 per pay period

Commencing in 2007:

A.B.S. Braking Systems	\$0.50 per hour	\$40.00 per pay period
------------------------	-----------------	------------------------

Commencing in 2008:

Hydraulics	\$0.50 per hour	\$40.00 per pay period
------------	-----------------	------------------------

The type of salary advancement, based on certification, provides each employee the opportunity to participate in **their** own career advancement and provide the incentive to stay current with technological changes. This should result in the City being able to obtain and retain qualified trades employees.

All other Articles of the Collective Agreement shall apply and continue to be in effect.

**Re: Flex Work Hours Plan – Planning and Development**

The parties agree that in the Long Range Planning and Area Planning Sections of the Planning and Development Department, the following positions will be eligible for a voluntary flex work hours plan based on the following criteria and guidelines:

1. Eligible Positions:
  - i. Associate Planner
  - ii. Planner 1
  - iii. Planner 2
  - iv. Senior Planner
  - v. Planning Technician 1
  - vi. Planning Technician 2
  - vii. Planning Technician 3
  - viii. Planning Analyst
  - ix. **Environmental Planner**
2. Employees covered by this Letter of Understanding remain allocated to a standard 35-hour workweek as defined in the Collective Agreement, Hours of Work Article 9.1. “The regular hours of work for inside employees of the City except...,shall be seven (7) hours per day, seven (7:00) A.M. to six (6:00) P.M. with one (1) hour off for lunch, Monday through Friday. It is understood that the City shall have the right to schedule employees to work within any eight (8) hour period between 7:00A.M. and 6:00 P.M....”
3. The Flex Work Hours Plan (the “Plan”) will be implemented on a voluntary basis. The term “voluntary” applies to the employee’s right to decide whether or not to participate. Management will provide each eligible employee with a one-time opportunity to participate. A decision not to participate is binding on the employee. Part time, term, contract and temporary employees will be ineligible to participate in the Plan.
4. Each employee who chooses to participate and the employee’s manager will meet initially to determine work requirements and expectations, and will meet as needed to discuss specific problems, anticipated problems and potential resolutions.
5. The Union will be advised, in a timely manner, in writing of the names, positions, and basic work schedules of employees participating in the Plan. Upon request by the Union, a written record of the hours worked by each employee during the four (4) week work cycle will be provided to the Union.
6. Each employee involved in the Plan will schedule and self manage **their** workload and schedule to meet operational requirements and expectations of their position over a one hundred and forty (140) hour, four (4) week work cycle. The schedule will be developed to align with both pay periods and monthly patterns.
7. The maximum number of hours an employee may work in excess of their regular hours and receive flex work hour credit during a one hundred and forty (14) hour, four (4) week work cycle is seven (7) hours. This work in excess of regular hours must be for legitimate, management approved business needs.
8. The seven (7) hours must be taken as time off, at a mutually agreed (between the employee and manager) time in the next one hundred and forty (140) hour, four (4) week work cycle. The objective is that the employee can earn and bank up to seven hours of overtime to take as flex time off (FTO) in the next month/cycle. The overtime hours translate to FTO hours at a 1 to 1 ratio.

9. Employees are expected to take their breaks and one-hour lunch per the collective agreement. The intent of the Plan is not to work lunch periods to bank hours.
10. The employee cannot bank more than 7 FTO hours in a 4-week cycle and must take the FTO hours in the subsequent four (4) week work cycle. The first 7 hours of overtime worked by a participating employee will be automatically applied to the employee's FTO bank. If the FTO hours are not taken by the employee in the subsequent four (4) week work cycle, the FTO hours will be automatically paid out in first pay period of the next four (4) week work cycle.
11. The employee may work up to twelve (12) hours a day and may work in excess of thirty-five (35) hours per week without receiving payment for overtime. Overtime will be paid for management approved hours worked in excess of one hundred and forty-seven (147) hours for the four (4) week work cycle. Overtime will also be paid for any work performed on the second consecutive day of rest in the employee's basic work schedule, provided such overtime is authorized in advance by the Supervisor.
12. The employee will continue to be paid **their** regular salary bi-weekly, and any overtime pay owed above the 7 FTO hours will be reconciled and paid in the appropriate pay period.
13. Where this Letter of Understanding is silent or there is a dispute about its application, the parties will meet to attempt to resolve the dispute. Failing resolution, the terms of the collective agreement will apply.
14. The Department may end the application of this Letter of Understanding to an individual employee in the designated classifications by providing thirty (30) days written notice to the affected employee.
15. Either party may terminate the provisions of this Letter of Understanding by providing thirty (30) days written notice to the other.
16. Work arrangements implemented under this Letter of Understanding constitute an approved flexible work schedule for the purposes of Section 38 of the Employment Standards Act.

Upon expiration, this Letter of Understanding will be null and void and cease to have any effect in the absence of express mutual agreement between the parties in writing to extend its effect.

The parties agree that in the Traffic Operations Section and Development Services Section of the Engineering Department, the following positions will be eligible for a voluntary flex work hours plan based on the following criteria and guidelines:

1. Eligible Positions:

**Traffic Operations:**

Engineering Assistant 4  
Engineering Assistant 2

Engineering Assistant 3  
Engineering Operations Clerk

**Development Services:**

Engineering Assistant 4  
Engineering Assistant 2

Engineering Assistant 3  
Engineering Operations Clerk

2. Employees covered by this Letter of Understanding remain allocated to a standard 35-hour workweek as defined in the Collective Agreement, Hours of Work Article 9.1. "The regular hours of work for inside employees of the City except...shall be seven (7) hours per day, seven (7:00) A.M. to six (6:00) P.M. with one (1) hour off for lunch, Monday through Friday. It is understood that the City shall have the right to schedule employees to work within any eight (8) hour period between 7:00A.M. and 6:00 P.M...."
3. The Flex Work Hours Plan (the "Plan") will be implemented on a voluntary basis. The term "voluntary" applies to the employee's right to decide whether or not to participate. Management will provide each eligible employee with a one-time opportunity to participate. A decision not to participate is binding on the employee. Part time, term, contract and temporary employees will be ineligible to participate in the Plan.
4. Each employee who chooses to participate and the employee's manager will meet initially to determine work requirements and expectations, and will meet as needed to discuss specific problems, anticipated problems and potential resolutions.
5. The Union will be advised, in a timely manner, in writing of the names, positions, and basic work schedules of employees participating in the Plan. Upon request by the Union, a written record of the hours worked by each employee during the four (4) week work cycle will be provided to the Union.
6. Each employee involved in the Plan will schedule and self manage **their** workload and schedule to meet operational requirements and expectations of their position over a one hundred and forty (140) hour, four (4) week work cycle. The schedule will be developed to align with both pay periods and monthly patterns.
7. The maximum number of hours an employee may work in excess of their regular hours and receive flex work hour credit during a one hundred and forty (14) hour, four (4) week work cycle is seven (7) hours. This work in excess of regular hours must be for legitimate, management approved business needs.
8. The seven (7) hours must be taken as time off, at a mutually agreed (between the employee and manager) time in the next one hundred and forty (140) hour, four (4) week work cycle. The objective is that the employee can earn and bank up to seven hours of overtime to take as flex time off (FTO) in the next month/cycle. The overtime hours translate to FTO hours at a 1 to 1 ratio.

9. Employees are expected to take their breaks and one-hour lunch per the collective agreement. The intent of the Plan is not to work lunch periods to bank hours.
10. The employee cannot bank more than 7 FTO hours in a 4-week cycle and must take the FTO hours in the subsequent four (4) week work cycle. The first 7 hours of overtime worked by a participating employee will be automatically applied to the employee's FTO bank. If the FTO hours are not taken by the employee in the subsequent four (4) week work cycle, the FTO hours will be automatically paid out in first pay period of the next four (4) week work cycle.
11. The employee may work up to twelve (12) hours a day and may work in excess of thirty-five (35) hours per week without receiving payment for overtime. Overtime will be paid for management approved hours worked in excess of one hundred and forty-seven (147) hours for the four (4) week work cycle. Overtime will also be paid for any work performed on the second consecutive day of rest in the employee's basic work schedule, provided such overtime is authorized in advance by the Supervisor.
12. The employee will continue to be paid **their** regular salary bi-weekly, and any overtime pay owed above the 7 FTO hours will be reconciled and paid in the appropriate pay period.
13. Where this Letter of Understanding is silent or there is a dispute about its application, the parties will meet to attempt to resolve the dispute. Failing resolution, the terms of the collective agreement will apply.
14. The Department may end the application of this Letter of Understanding to an individual employee in the designated classifications by providing thirty (30) days written notice to the affected employee.
15. Either party may terminate the provisions of this Letter of Understanding by providing thirty (30) days written notice to the other.
16. Work arrangements implemented under this Letter of Understanding constitute an approved flexible work schedule for the purposes of Section 38 of the Employment Standards Act.

**Re: Court Liaison Officer Schedule**

**PREAMBLE:**

This letter is to establish work practices, policies and scheduling for implementing a non-standard work week for Court Liaison Officers. The attached schedule outlines a 4 on 4 off rotation.

1. Application

This agreement applies to Regular Full Time employees. Should the City utilize auxiliary employees, they will also fall under the arrangements within the Letter of Understanding.

2. Shift Schedule

The shift schedule, which is known as “four on and four off”, shall be worked as outlined below. One work shift shall span eleven and three quarter consecutive hours (11.75) inclusive of a one (1) hour unpaid lunch break and two ten (10) minute paid rest periods for eight (8) consecutive weeks except for one (1) shift which shall span ten and three quarter consecutive hours (10.75) inclusive of a one (1) hour unpaid lunch break and two ten (10) minute paid rest periods. That is, on the Pay Period in which the employee is scheduled for 8 shifts there shall be one shift of 10.75 hours all-inclusive of a one hour (1) unpaid lunch break and two ten (10) minute paid rest periods therefore working 85 hours total in that pay period. Specifically, the employee is to work only 9.75 hours on one of the eight shifts of that pay period. The shortened shift (9.75 hours) for each employee shall be determined by the Manager and a schedule will be provided to the employee in advance.

Court Liaison Officers shall rotate through the following schedule: As an example starting new Pay Period on September 8, 2018. In this example the employee selected the second Tuesday of the Pay Period in which they were scheduled for eight (8) shifts to reduce their shift by one hour. Please note the rotation below does not include the one (1) hour unpaid lunch break.

Rotation #	Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Hours
1	10.75	10.75	10.75	OFF	OFF	OFF	OFF	
	10.75	10.75	10.75	10.75	OFF	OFF	OFF	75.25
2	OFF	10.75	10.75	10.75	10.75	OFF	OFF	
	OFF	OFF	10.75	9.75	10.75	10.75	OFF	85
3	OFF	OFF	OFF	10.75	10.75	10.75	10.75	
	OFF	OFF	OFF	OFF	10.75	10.75	10.75	75.25
4	10.75	OFF	OFF	OFF	OFF	10.75	10.75	
	10.75	10.75	OFF	OFF	OFF	OFF	10.75	64.5

The City will review the schedule on a monthly basis and reserves the right to make changes to meet business requirements. If changes to the schedule are required, the City will provide notice to employees as per the collective agreement (Article 9.1a).

3. Vacations

Vacations allotment will be credited by length of shift worked (for example 10  $\frac{3}{4}$ ), therefore vacations converted from days to hours and will be taken on that basis. Example – 3 weeks' vacation is equal to 15 days, 7.5 hours (15 days x 7.5 hours = 112.5 hours). 112.5 hours divided by 10  $\frac{3}{4}$  hours per shift equals an allotment of 10.50 shifts.

4. Sick Leave

Sick leave usage shall be as per length of shift.

Example: Sick leave usage will be coded per 10.75 hours.

5. Sick Leave Pay Out

Sick Leave pay out shall be paid out on a 7.5 hour day basis, same as sick leave. Employees shall be credited with 3 days X 7.5 hours or 22.5 hours per year where no illness has occurred.

6. Overtime

Overtime rates shall apply after 10.75 hours work per shift or 43 hours per week.

7. Statutory Holidays

In accordance with the Collective Agreement, Statutory Holidays will be calculated on actual hours worked on the Statutory Holiday. Example: A shift from 6 a.m. to 5:45 p.m. on the Statutory Holiday – all hours will be paid on a Statutory Holiday pay basis.

Statutory Holidays must be taken within a 120 day period of its occurrences and can be taken off in blocks on no more than a maximum of two (2) at a time. Statutory holiday credit will be in accordance with the Collective Agreement that is seven and on-half hours per statutory holiday. All statutory holidays must be taken by December 31.

8. Implementation

This schedule will be implemented September 8, 2018.

9. Term of Agreement

Any differential between hours worked and salary paid shall be adjusted upon review of the LOU.

This Letter of Understanding shall continue in force until December 31, 2020 and shall remain in the force thereafter until either party serves 30 days written notice to cancel it.

The Department may end the application of this Letter of Understanding to an individual employee (s) in the designated classification by providing thirty (30) days written notice to the affected employee(s).

Upon expiration, this Letter of Understanding will be null and void and cease to have any effect in the absence of express mutual agreement between the parties in writing to extend its effect.

between  
THE CITY OF SURREY  
And  
CUPE LOCAL 402

**Re: Auxiliary Seniority - RCMP Support Services**

The City of Surrey and CUPE, Local 402, agree to the following:

Auxiliary Employee Seniority for Job Posting – on July 16, 2008, the City agreed to implement auxiliary employee seniority for job posting with the following elements:

- Jobs eligible for this practice are only those posted, regular CUPE roles (full and part-time) with the RCMP Support Services Division.
- To be eligible to apply with seniority on a job posting, an auxiliary employee (as defined in the Collective Agreement) must have 1000 hours of consecutive service.
- This Letter of Understanding applies to auxiliary employees employed in any City department that are represented by CUPE Local 402.
- For the purpose of this Letter of Understanding, consecutive service occurs if an auxiliary employee has worked at least one hour in a 12-month period for the City. If an employee has not worked for the City in a 12-month period and was not on an approved leave (e.g. **pregnancy**/parental leave), then all previous service (hours worked) will be lost for the purposes of this Letter of Understanding.
- Seniority for the purposes of this Letter of Understanding will be determined by hours worked, with 1 hour worked earning 1 hour of seniority.
- This Letter of Understanding does not apply to temporary employees, term employees, summer students, project employees or clerk/typist trainees.
- Auxiliary employees who successfully move to a regular job will be required to serve a probationary period as a new employee per the Collective Agreement.
- Auxiliary employees placed in a regular job are not eligible for a trial period as described in the Collective Agreement.
- If an auxiliary employee is unsuccessful (either through personal choice or failure to complete probation) in a regular position posted under this Letter of Understanding, the City will not guarantee re-employment as an auxiliary employee. However, the City will make best efforts to identify a placement.
- The RCMP Support Service Division Auxiliary Employee Job Seniority for Posting practice can be modified through mutual agreement of the parties. The City is making no commitment to expand the practice to other departments.
- The City acknowledges the Union's desire to expand the "RCMP Practice" to other City departments over time.

Nothing in this Agreement is intended to modify or amend the Parties existing rights and obligations under the Collective Agreement, except as it pertains to job posting seniority for auxiliary employees.

and  
CUPE, LOCAL 402

**Re: New City Hall Staff Parking**

In summary of the City's presentation to the Union on June 14, 2012 with respect to staff parking at the New City Hall, and inclusive of subsequent discussions with the Union, the City can confirm the following:

Staff parking at the New City Hall and the North Surrey Recreation Centre will become a paid parking model commencing in 2013. The City is not responsible for how employees manage their commute to and from the workplace, nor is it responsible for guaranteeing parking at a work site.

The specific decision to provide paid staff parking is determined by the City, and is related to local area parking standards, Canada Revenue Agency definitions, and the availability of parking and transportation options for staff. The City will discuss the implementation of paid staff parking with the Union in advance of implementation of such a paid parking model in a City work location.

With respect to parking at the New City Hall, employees who are required to provide their personal vehicle as a condition of their job will not be required to pay for work related parking.

The City will provide employee paid, scramble workplace parking for staff impacted by the opening of the New City Hall. Staff parking rates are determined by the City, in consideration of street parking fees and private/public sector parking lot fees for the geographic region, as determined by periodic surveys.

Specific to New City Hall staff parking (including the North Surrey Recreation Centre staff parking), the initial staff parking rate(s) were determined using the criteria above. Staff paid parking rates have been set on a monthly basis. Staff will have the periodic and/or annual option of committing to or not committing to paid staff parking at the New City Hall.

The City will periodically increase staff parking rates to reflect increases in Vancouver CPI, increases in Surrey's street parking rates, and/or increases to the local area parking rates. It is anticipated that the first such increase in parking rates will occur in January 2015.

If New City Hall staff opt to participate in the paid staff parking model, they will have the options of:

- Daily parking – paid at the public rate for the time required, based on a 'pay as you go model', and no designated parking spot.
- Monthly Scramble Staff Parking – monthly staff rate of \$75 per month, no designated parking spot (first come first served), Monday to Friday parking coverage during normal business hours, and non-transferrable. The exact payment method will be determined in consultation with the successful parking vendor.
- Monthly Reserved Staff Parking – paid at a monthly staff rate of \$130 per month, designated parking spot, Monday to Friday parking during normal business hours, and non-transferrable. The exact payment method will be determined in consultation with the successful parking vendor.

Specific Administrative guidelines for the paid staff parking at the New City Hall will be discussed in advance with the Union. Examples of guidelines to be discussed may include payment collection practices (leave of absences, workers compensation absence, sick leave), overtime parking, parking option selection model, registration practices, etc.

The City or its contractor will enforce parking standards in the area. Any tickets, towing costs, etc. incurred by Staff as the result of failure to follow the parking standards, are the responsibility of the staff. The City assumes no liability for vehicles parked in its New City Hall parking structure.

Staff not located at a paid staff parking location, but who are required to visit the location for a City business purpose, may apply for re-imbusement of the parking charges through the City's Travel Expense Reimbursement Process or other means as determined by the City.

Staff are expected to support the parking of local residents/businesses by not seeking unpaid, residential/commercial parking in the geographic area. It is important that the City is viewed as a good neighbour by area residents and businesses.

**To facilitate the transition of impacted staff to the paid parking model at the New City Hall, the City will provide eligible staff with the following accommodations:**

1. Initial NCH Parking Fee Reduction:
  - **Scramble Parking:** Eligible Staff (hired before June 18, 2012, working at the New City Hall or North Surrey Recreation Centre, and pre-registered for NCH Parking), will not be required to pay for scramble parking until the first of the month that is three months after the last full move wave (the City currently estimates that the last move wave will occur in early October 2013, therefore charging for scramble parking for eligible staff will commence on February 1, 2014). Employees hired on or after June 18, 2012 are not eligible for this reduction in fee.
  - **Reserved Parking:** Eligible Staff (hired before June 18, 2012, working at the New City Hall or North Surrey Recreation Centre, and pre-registered for NCH Parking), who prefer reserved parking will receive a \$75 per month reduction in parking fee for the same timeframe as describe under scramble parking. Employees hired on or after June 18, 2012 are not eligible for this reduction.
2. **12 Month Additional NCH Parking Subsidy:** Eligible staff (hired before June 18, 2012, working at the New City Hall or the North Surrey Recreation Centre, and pre-registered for the NCH Parking) will receive a \$35 monthly subsidy for twelve months following the completion of the initial NCH parking fee reduction. (The City estimates the 12-month period will commence on February 1, 2014 and terminate on January 31, 2015). No subsidy will be paid outside the 12 month Additional NCH Parking Subsidy timeframe. To be eligible for this subsidy, a staff member must participate in either the monthly scramble or monthly reserved parking model during the first year of operation of the New City Hall. It will be a taxable benefit. Employees hired on or after June 18, 2012 are not eligible for this subsidy.
3. **Translink Pass Supplement:** The City currently provides a 15% subsidy to regular staff for the Translink Employee Pass Program passes (in addition to the discount provided by Translink). The City reserves its right to review, modify or end this subsidy program with one month's notice. However, for the full period of the "Initial NCH Parking Subsidy" and the "12 month Additional NCH

Parking Subsidy” the City will increase its subsidization of the Translink Employee Pass Program (EPP) to a total amount of 30%, for regular employees. It is a taxable benefit.

4. **Transportation Fee Options:** The City commits that during 2013 it will meet with the Union to explore options for expanding transportation subsidies/support to staff to encourage sustainable commuting.
  
5. **Opportunity for 24/7 Parking:** The City does not anticipate that the NCH Parkade will initially be fully occupied by other paying users. Until the NCH Parkade is more fully utilized, the City will permit NCH and North Surrey Recreation Centre staff, who are registered for NCH Scramble or Reserved parking, to use the NCH Parkade on a 24 hour/7 day per week basis, with the registered vehicle with no additional cost. This supplemental benefit will end when the City deems that there is sufficient paid parking demand for non-traditional hours (those hours outside of Monday – Friday 7am-6pm). The City will provide impacted staff with 30 days’ notice of any change to this practice.

The City recognizes that the introduction of paid staff parking is a new and complex concept for staff. It will work with the Union over the coming months, to develop and implement an effective communication program to ensure staff fully understand staff parking options. It is anticipated that further discussions on paid staff parking will occur and future amendments of this letter may be required.
